

Videographer Volunteer Description:

Goal: To videotape this year's Habitat for Humanity Curriculum Classes.

We need two volunteers to share responsibility to videotape the 10 curriculum classes that will be held on various Tuesdays between October and March. Habitat will provide the video camera, the chair and the training.

Requirements: NO PRIOR KNOWLEDGE OF VIDEOTAPING NEEDED!!!!

Must be able to sit in a chair for an hour and a half with one break in the middle.

Must be able to occasionally move the camera direction and will need to change out the videotape.

A firm commitment to accepted position requested.

Outcome: With your help, we will have a very simple and low tech video of each curriculum class in order to allow for make up classes when homeowners miss the original class.

Please contact Curriculum Chairperson Josie Hartman (jandjramone@yahoo.com) or Patty Yates (520-326-1217 x202) to answer any questions or if you are interested in helping out. Thank you so much.
