

Home Sponsor Kit

Thank you for considering a partnership with Habitat for Humanity Tucson!

We are excited to build a home for a local family with you.

In 2009 Habitat for Humanity Tucson will celebrate its eighth Building Freedom Day on Friday, September 11, 2009.

With your help, we will begin construction on multiple new homes in the Corazon Del Pueblo Development.

We anticipate that hundreds of volunteers and community members will participate in this effort. There will also be ongoing media coverage throughout the day!

A full home sponsorship = \$85,000.

We are flexible! To meet the \$85,000 goal for their home sponsors elected to:

- fully sponsor a home
- spearhead an effort to put together a full sponsorship comprised of companies or vendors or other groups associated with them
- ask us to combine their donation with others

Note: A full sponsorship of \$85,000 does not cover all of the costs associated with building a Habitat home. Government sources provide about \$40,000 per home, leaving a gap of \$40,000 that we raise through our direct mail program and from our earned revenues.

Benefits of your Habitat sponsorship:

- Your logo/company name on a 4' x 4' sponsor sign at the home for the duration of the 9 to 11 month build. [Viewed by more than 4,000 volunteers and neighbors.](#)
- Recognition of sponsorship in Building Freedom Day program. [More than 350 attendees.](#)
- Opportunity to personalize T-shirts with organization logo for your Building Freedom Day team.
- Opportunity to donate items, including your organization's marketing materials, to be included in volunteer thank you bag.
- Recognition of sponsorship in Home Dedication (June 2010) program. [At least 100 attendees.](#)
- Your logo/company name on habitattucson.org for the duration of the build.

Your Volunteers for Building Freedom Day...

Your sponsorship also includes volunteer spaces for your employees, partners and families to build on Building Freedom Day. On this day, we often have more requests to participate than we can accommodate, so we have developed a system to ensure that sponsors get priority.

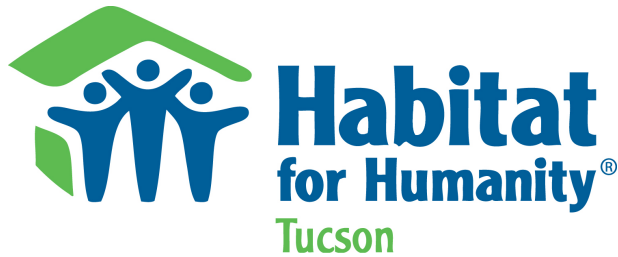

Your sponsorship level will determine how many volunteer positions you receive.
