

veterans build habitat for humanity

Habitat for Humanity Tucson's Veterans Build partners with military service members, their families and the families of the fallen to reinforce strength and self-reliance through volunteerism, homeownership, home repair and neighborhood reinvestment projects.

Everyone needs a decent place to call home and everyone can help make that possible for another family.

People in our community, and all over the world, partner with Habitat for Humanity to build or improve a place they can call home. Habitat homeowners help build their own homes alongside volunteers and pay an affordable mortgage. With your help, Habitat homeowners achieve the strength, stability and independence they need to build a better life for themselves and their families.

Safe, decent, affordable housing is the centerpiece of our Veteran Build.

”Just want to say thank you to Habitat for this amazing opportunity, to the sponsors for all the help building up the walls, and everyone who has helped us and all the other future home owners during this wonderful journey. This is such an awesome opportunity to be a part of and Habitat is such an awesome organization to work with, God Bless!
