building

strength, stability,
self-reliance and shelter

THINK GLOBAL. ACT LOCAL.

Everyone needs a decent place to call home.

People in our community, and all over the world, partner with Habitat for Humanity to build or improve a place they can call home. Habitat homeowners help build their own homes alongside volunteers and pay an affordable mortgage. With your help, Habitat homeowners achieve the strength, stability and independence they need to build a better life for themselves and their families.

Build a stronger Southern Arizona.

Partner with Habitat Tucson & help build a better future for all.

Build the effectiveness of your organization.

By supporting the mission of Habitat for Humanity Tucson, your team will be invited to participate in a Habitat Build Day. This offers your team opportunities to:

- Develop camaraderie and team spirit
- Build morale as you work toward a common goal
- Work alongside future homebuyers
- Help build a more just and compassionate world

Your company will also receive the benefits of sponsorship, which include but are not limited to: media exposure and recognition of your support and efforts to **build strength, stability and self-reliance through shelter.**
