# veterans build

Habitat for Humanity Tucson's Veterans Build partners with military service members, their families, and the families of the fallen to build affordable housing. We reinforce strength and self-reliance through volunteerism, homeownership, and home repair.

Veterans have an opportunity to complete the requirements of our homeownership program and purchase a new, energy-efficient home with an affordable mortgage.

Habitat Tucson's Veterans Build officially began in 2013 in response to grassroots Habitat efforts to serve housing needs of returning veterans. Habitat is now empowering military and veteran families to achieve the strength, stability and self-reliance they need to build better lives.

**Partner with veterans who made a selfless commitment to our country through their service.**

## our goal

- Build decent, affordable housing for veteran families
- Advocate for veterans to have a safe, stable place to call home
- Pay tribute to veterans and celebrate their service

“Our old apartment was unsafe and very overcrowded. There was no way for me to do my job as a nurse safely during COVID. Because of my Habitat house, my children are safe now. It’s a blessing to be with Habitat at this time, for me and my family.”

– Homeowner Barry
